DOUGLAS COUNTY SCHOOL DISTRICT

Dear Parents and Students of the Senior Class of 2024,

Below you will find important information regarding the submission of your senior portraits for the **2023-2024 Castle View High School yearbook**, as well as a list of preferred photographers serving the Castle Rock community. The yearbook is an all-digital, all-color book with strict deadlines, so correct and timely submission of your senior photo is essential.

**ALL PHOTOS MUST ADHERE TO THE FOLLOWING REQUIREMENTS:**

- All portraits should be vertical rectangles, 2 inches by 3 inches, at 300 dpi, saved in JPEG format.
- All portraits should be head and shoulder shots. Photos not submitted as headshots will be cropped.
- Portraits featuring any clothing, items, or subjects in violation of school policy or dress code will not be accepted.
- Portraits with props or animals will not be accepted.
- Photographers should also submit portraits digitally using the link listed below.
- Please submit just one photo.
- Please submit using the website link below. Do not email photos. Upon submission, you will get a confirmation email from Jostens that says "Thank you for submitting your photos" -- and this does confirm your submission! We will contact students and parents/guardians via email if a photo has not been submitted, so please do not email for additional confirmation.
- The yearbook staff reserves the right to decline submissions in violation of the established guidelines and/or the CV Media Editorial Policy.
- **No portraits will be accepted after 3 p.m. on Wednesday, October 4, 2023. Please contact us prior to the final date if you have any questions or concerns.**

**Portrait Information: Enter the first name and last name of the senior.**

Our preferred photographers have our specifications, have demonstrated their professionalism in the past, will provide a quality set of portraits for you at competitive rates, and have shown their support for the Castle View student media program by purchasing an advertising package. # THE VISION EXPERIENCE

"Now more than ever, your Senior Photos really matter...

We promise to take Senior Photos you are really proud of,

and will love and cherish for a lifetime."

Photography is art - it's a medium for expression that goes beyond what we tell the camera, the lighting, environment, and clothing. When documenting people, a photographer has to find the subtext beyond what appears in the viewfinder. That can only happen when the subject - your daughter, your son - is at ease and is being exactly who she or he is. Our photographers are artists, skilled at drawing exactly that from your child.

***Sessions at Vision are immersive, empowering experiences.*** We partner with our seniors to create environments that are comfortable, yet striking - indicative of their individual tastes and personalities. ***We create photographs unique to each senior, each amazing and bright personality that comes to be photographed.*** We only do so by setting the stage for authentic moments, not forced poses. Don't come to us expecting to be bent askew like a mannequin... come expecting to ***share your story, laugh with us and generally, have a really good time.***
